SCR 1601—A concurrent resolution requesting the Florida delegation in the U.S. Congress to call upon Congress to strengthen laws to control the communist party by a new declaration of legislative intent or to propose a new amendment to the Constitution of the United States.

Be It Resolved by the Legislature of the State of Florida:

WHEREAS, the United States Congress has found and declared in the Communist Control Act of 1954 that the Communist Party in the United States "is in fact an instrumentality of a conspiracy to overthrow the Government of the United States"; and

WHEREAS, the United States Congress has enacted laws to control the activities of the Communist Party but these laws have proven ineffective and inadequate because of United States Supreme Court decisions interpreting the First and Fifth Amendments of the United States Constitution, the unintentional effect of which is to grant the Communist Party undue protection and privileges contrary to the intent of Congress and of the people; and

WHEREAS, the people of the State of Florida are greatly concerned because of these continuing protections afforded and enjoyed by the Communist Party which allow that organization to flourish and to expand its subversive activities; and

WHEREAS, the State of Florida is without power to prosecute or interfere with the activities and expansions of the Communist Party because the Federal Government has pre-empted the field of communist control; and

WHEREAS, it appears that the protections afforded by the United States Constitution should be defined by Congress; and

WHEREAS, the citizens of the State of Florida have duly elected to the United States Congress representatives who are well qualified to determine required legislative needs regarding control of the Communist Party and other organizations dedicated to the overthrow of the United States Government by unlawful means.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF FLORIDA, THE HOUSE OF REPRESENTATIVES CONCURRING, that the Florida delegation in the United States Congress be requested to call upon Congress to study methods and means necessary to strengthen the laws which have been enacted by the United States Congress for the purpose of controlling the Communist Party.

BE IT FURTHER RESOLVED, that this study and the recommendations resulting therefrom include a finding as to the legislative intent behind Acts of Congress which are affected by the First and Fifth Amendments, or any other amendment or part of the United States Constitution which affords protection to the Communist Party; and

BE IT FURTHER RESOLVED, that the study and its resulting recommendations include proposed legislation or Constitutional Amendments which would effectively preserve American democracy and the strength of our Constitution; and

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to each and every U. S. Senator and Congressman from Florida.
